Mission: The staff, parents, and community members of Murrell Dobbins High School together take responsibility for the achievement of each of our students. We will surround our students with a safe, clean, and nurturing environment that promotes the development of respect and compassion for one another, the community, and the larger world around them. We believe the social and emotional development of our students is as important as their academic development, and we acknowledge that learning to cooperate, solve problems, communicate, and work productively with others will help them thrive in an ever changing global society.

"Murrell Dobbins CTE HS is a place where students can earn CTE industry recognized certification and licensure as well as a 4-year scholarship with hard work and determination before graduation!"
