

VISION 05

QUALITY NATURAL RESOURCES

Philadelphians benefit from parks, trees, stormwater management, and healthy waterways

Greenworks is the city's sustainability plan to improve quality of life for all Philadelphians. We've developed guides to show individuals, communities, and institutions how they can help make the Greenworks visions a reality. All of the guides are available at www.phila.gov/green or by calling 215-686-3495.

What Communities Can Do

PARKS TREES WATER

- Identify areas for green infrastructure:** Recommend areas in your community suitable for stormwater infrastructure.
 - <http://tiny.cc/PWDCCommunityInput>
- Help maintain green infrastructure:** Apply for a Soak It Up Adoption grant to maintain the beauty and functionality of green infrastructure in your neighborhood.
 - <http://tiny.cc/SoakItUpAdoption>
- Keep litter out of drains:** Sign up for the Philadelphia Storm Drain marking project to keep residents from putting litter in storm drains.
 - <http://tiny.cc/StormDrainMarking>
- Love your park:** Create or support a "friends of" park group in your community.
 - Friends Groups List:
