

VISION 06

ACCESSIBLE, AFFORDABLE, AND SAFE TRANSPORTATION

All Philadelphians have access to safe, affordable, and low-carbon transportation

Greenworks is the city's sustainability plan to improve quality of life for all Philadelphians. We've developed guides to show individuals, communities, and institutions how they can help make the Greenworks visions a reality. All of the guides are available at www.phila.gov/green or by calling 215-686-3495.

What Institutions Can Do

- ❑ **Ensure safe walkways during construction:** Minimize street and sidewalk closures during construction and, when necessary, provide covered walkways.
- ❑ **Install bike infrastructure:** Make cycling more convenient and accessible by installing bike parking and accessible showers.
- ❑ **Maintain your sidewalks:** Property owners are required to maintain safe and accessible sidewalks.
- ❑ **Meet Complete Streets requirements:** The City's Complete Streets policy requires a review of every construction project's impact on roads, sidewalks, and the bicycle and transit network to ensure safe access for all users:
 -  www.philadelphiastreet.com/complete-streets
- ❑ **Offer pretax transit benefits to employees:** The federal government enables commuters to save money by putting pretax dollars toward public transportation.
- ❑ **Promote car sharing and fuel-efficient vehicles:** Offer preferential parking to carpools, car sharing, and low carbon vehicles.
- ❑ **Provide group or corporate Indego passes:** Provide discounted group or corporate passes to your employees:
 -  www.rideindeg.com/passes/corporate-pass-program

COMPLETE STREETS RESOURCES

Philadelphia's **COMPLETE STREETS** website (www.philadelphiastreet.com/complete-streets) can help you learn more about how to make your streets safer for pedestrians, cyclists, and drivers. The site also enables institutions to apply for parklets, pedestrian plazas, and Indego stations.
