

Greenworks is the city's sustainability plan to improve quality of life for all Philadelphians. We've developed guides to show individuals, communities, and institutions (including businesses, schools, and houses of worship) how they can help make the Greenworks visions a reality. All of the guides are available at www.phila.gov/green or by calling 215-686-3495.

What Institutions Can Do

ENCOURAGE SUSTAINABILITY EDUCATION

- Host a sustainability-related intern or apprentice.
- Support employees who undertake sustainability professional development.

PROVIDE SUSTAINABILITY EMPLOYMENT

- Train current employees in sustainable practices.
